I raise my glass...	Thank You!	I am thrilled today...	...how lucky I am...	Where do I begin?
I love you!	To my dear friend...	Cheers!	All the best!	I'm going to keep this short...
Enjoy the rest...	Here's to a happy life together!		I am proud...	On a serious note...
I remember...	You will always be...	I will always be here...	To the couple...	I feel very honoured...
Love each other...	The bridesmaids look...	I am happy to welcome..	The groomsmen look...	The bride looks...
